

Exploring O₃-NO_x relationship

With the help of Julie Nicely
and the CAM-Chem team
(Doug/Alfonso/Francis)

RF14

Forecast and modeling

Forecast and modeling

Most days there was a problem.

Forecast and modeling

Most days there was a problem.

Some days it felt like mayhem.

Forecast and modeling

Most days there was a problem.

Some days it felt like mayhem.

Some days it felt like an anthem.

Forecast and modeling

Most days there was a problem.

Some days it felt like mayhem.

Some days it felt like an anthem.

But it really was just CAM-Chem.
