DYNAMO UPDATE

For the 4th DYNAMO Planning Workshop

February 28 – March 2, Miami, FL

- Completed Action Items from the CINDY2011 Workshop (November 2010)
- DYNAMO proposal review and funding
- Aircraft (NOAA P-3): 175 hr (105 research hrs), 45 days (Q. Wang)
- DYNAMO Project Office (J. Moore)
- 2nd site visit to Maldives (J. Moore)
- Site visit to Revelle (B. Brown)
- Draft of Operations Plans

Completed Action Items from the CINDY2011 Workshop in JAMSTEC

(8 – 10 November 2010)

2. AMF2 soundings – 1 per day using 350g or bigger balloons: *Chuck Long – February 2011 – all AMF2 soundings will use 350g balloons.*
5. Sounding data from Indonesia – *to be reported by Yoneyama*
9. Increase sounding at Nairobi, Kenya from 1/day – 2/day – *Kunio Yoneyama – February 2011 – Done*
12. Meteosat data availability – *Jean-Philippe Duvel – to be reported by Ramage*
15. Move the Revelle Pinkel cruise to follow the 2nd stationary cruise – *Jim Moum – December 2010 – “Pinkel cruise” = Leg 4.*
16. Decide on the ship to pick the UK sea gliders and have a backup plan – *Kunio Yoneyama and ship PIs – February 2011 – UK glider proposal is not funded (other funding source is being sought)*
21. Instrument intercomparison (ship-ship, ship-island) strategy – *to be reported by Fairall*
25. A complete list of all participating forecast and research models – *In the draft of Ops Plan*
29. Forecast/analysis products from high-resolution nested regional model – – *In the draft of Ops Plan*
30. MJO forecast products for weekly webconferencing – *Chidong Zhang, Jon Gottschalck – November 2010 – A plan has been drafted*
31. Dry run of MJO weekly forecast – *Chidong Zhang, Jon Gottschalck, Steve Williams – November 2010 – started*
38. Virtual operations center – *to be reported by Yoneyama*
39. A draft of Operations Plan – *Jim Moore, Kunio Yoneyama, Chidong Zhang, Prasanna Kumar, Jean-Philippe Duvel – February 2012 – an incomplete draft is available*
40. Joint (funding agencies, UCAR) new release – *to be reported by Moore*
41. CINDY/DYNAMO logo – *to be introduced at this meeting*
